

How to access Salesforce on an iPad

Salesforce

- Select Salesforce from quick links in Society Source.
- Dialog box will appear as shown right.
- Select ACS Employee Login.

- This seems like an extra step however logging in directly requires more info, so it's best to let the ACS Employee Sign on redirect you.

You will be redirected to the login shown.

User name field: Enter full email address.

Password field: Enter network password. (Same as the PW used for logging in to your ACS computer.)

Click Sign In.

Note Salesforce URL

<https://americancancersociety.my.salesforce.com/>

- Salesforce Dashboards opens.
- Select homepage or preferred dashboard.
- Menu icon expands or collapses
- Log out is located at the end of the menu list
